

## **1. Eligibility**

1.1 To be eligible entrants must be a real person, at least 18 years old and permanently reside in the United States or other country (proof of address or age may be required).

1.2 Eligible orders must be placed by 11:59PM on December 15, 2019.

1.3 Eligible orders must be full layers of batteries. If a customer orders 18 batteries in multiple purchase orders over four weeks, that is not an eligible order. An eligible order would purchase 18 batteries (one layer) at a time, or two layers (36 batteries) at a time, or three layers (54 batteries) at a time to qualify for gifts. Amounts of batteries ordered in between layers will round down. As an example, if a customer purchases 25 batteries at once, that customer would qualify for one layer's worth of gifts, even though 25 is more than the minimum amount (18 batteries) to qualify for gifts.
