

## **Fullriver Battery 5 Year Solar/RE Warranty Policy**

Fullriver Battery will provide a Five Year warranty for Fullriver DC series Deep Cycle batteries used in Solar PV and other Renewable Energy applications. The first two years of this warranty are a free replacement period. The remaining three years are Pro Rata. This warranty applies to batteries sold after September 1st, 2007. Copy of purchase invoice must be provided.

The Fullriver 5 year warranty covers any battery 85 ampere hour capacity or higher, six and 12 volt models. The warranty covers batteries that become unusable and unserviceable due to defects in material and/or workmanship. This warranty applies to the original purchaser of the battery, is non-transferable.

The Fullriver 5 Year Solar Warranty starts from the date sold and applies only to batteries sold in solar and renewable energy applications. During the free replacement period, Fullriver Battery will replace or repair the defective battery with one of equal or greater value. The Pro Rata period is based on the manufacturer's suggested retail price.

This warranty shall not apply to failure in service due to fire, freezing, explosion, abuse, neglect, unauthorized modifications or alterations, or installation of a smaller size or capacity battery than is required. This warranty does not cover battery damage from shipping, loose wiring, reverse polarity installations, overdischarging or overcharging, nor breakage of containers, covers or terminal posts.

This warranty does not cover the cost of transportation, shipping, service calls, battery installation, recharging, or use of rental batteries.

Fullriver Battery will not be responsible for electrical system tests, loss of time, loss of equipment use or any other expenses which can be considered incidental or consequential damages.
