

NORTHEAST BATTERY

800-441-8824

With over 80 years of experience, Trojan Battery Company is the world's leading manufacturer of deep cycle battery technology.

Clean & Green, Fullriver Sealed AGM Deep Cycle batteries provide the highest possible reserve capacity and longest cycle life for heavy duty deep cycle applications where safety and ease of maintenance is a must.

EnerSys is the global leader in stored energy solutions for industrial applications such as security systems, emergency lighting, UPS, mobility, cable TV and medical.

ODYSSEY batteries by EnerSys deliver superior power and performance. These sealed, drycell batteries provide twice the overall power and three times the life of conventional batteries.

Manufactured by Yuasa Battery, Inc., Motocross brand Powersport batteries have been built in the U.S.A. to uncompromisingly high standards since 2000.

All MotoBatt motorcycle batteries are of the absorbed glass-mat (AGM) type. Maintenance free, they arrive fully charged and ready to use.

Pro Charging Systems is a leading provider of a wide range of battery charging systems for the marine, industrial, emergency services and recreational market.

Lester Electrical is the worldwide leader in industrial battery chargers and one of the industry's highest-volume manufacturers.

Douglas batteries and chargers are manufactured with pride and have built their reputation by supplying robust products that can withstand rugged work conditions.

Complex cable assemblies, harnesses, & equipment wiring, ECI provides superior products at competitive prices. Specialists, with strict quality standards and a large inventory of materials and parts.

ULTRAPOWER BATTERIES

Ultrapower branded batteries are a registered brand of Northeast Battery Company Inc. They are built to the highest industry standards by the leading battery manufactures in quality.
