## THE NATION'S LEADING INDEPENDENT BATTERY DISTRIBUTORS

Stored Energy Holdings Inc. ("SEHI"), through its subsidiaries including Northeast Battery ("NEB") and Tri-State Battery ("TSB") has established itself as one of the nation's leading independent battery distributors, and is the largest in the northeastern U.S. Serving customers in nearly all 50 states but concentrated in 14, SEHI strives to be the dominant player in its markets. Focused on growth through both organic and acquisitive means to significantly and profitably increase its market share, SEHI also strives to provide its customers with the highest level of service in the industry, through the strength and quality of its team, its nationally recognized and sought-after brands, and through both operational efficiency and scale.

SEHI prides itself in its ability to provide professional service to its customers at every interaction. We are focused on continuously improving the experience of our customers as we grow. We recognize that our people provide this experience, and we strive to attract and retain the highest quality people in our industry. In addition, our strategic alliances with key members of our supply chain and other value-added partners ensure that we are able to achieve unparalleled levels of service throughout our area of operation.

Currently with twelve (12) locations throughout the service footprint, SEHI satisfies customers as far south as Virginia, to West Virginia and Ohio in the West, and throughout the Northeast to the Canadian border.

Starting in 1985 and built from the ground up over the last thirty-five years, SEHI companies have grown from single locations in central Massachusetts and northern Delaware, to a network of operations that today include metro New York City and facilities in or near major cities including Syracuse, Buffalo, Philadelphia, Pittsburgh, Baltimore, Richmond, and Columbus. With a combined staff of 100+ sales/service/operations/logistics and finance professionals, SEHI provides unparalleled service throughout this area.

SEHI continues to grow, both organically and through acquisitions, as it pursues its strategic objectives of driving shareholder value through the unwavering dedication of its team of professionals in service to our steadily growing base of loyal and satisfied customers.

## OUR COMPANIES

Northeast Battery is the region's largest independent battery distributor, serving customers since 1985. They serve customers throughout New England, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, West Virginia, Ohio & the District of Columbia, from multiple distribution centers.

Tri-State Battery is a large supplier of batteries in the Mid-Atlantic. They provide battery solutions for just about every device, vehicle, machine, or piece of equipment you own. TSB also carries a wide selection of automotive starters and alternators, and custom fabricate wiring harnesses and terminals.

SEHI PROVIDES GOVERNMENTAL ENTITIES, AND COMMERCIAL AND WHOLESALE CUSTOMERS WITH A FULL RANGE OF BATTERIES FOR POWER INDUSTRIAL EQUIPMENT, RECREATIONAL, PASSENGER AND COMMERCIAL VEHICLES, UNINTERRUPTIBLE POWER SUPPLIES ("UPS") AND OTHER STATIONARY POWER APPLICATIONS, AS WELL AS RELATED CABLES, CHARGERS, AND ACCESSORIES.

NORTHEAST BATTERY IS THE EXCLUSIVE TROJAN BATTERY DISTRIBUTOR IN THE NORTHEAST U.S., AND CARRIES A RANGE OF OTHER BRANDS FROM LEADING MANUFACTURERS, INCLUDING A SUCCESSFUL PRIVATE-LABEL LINE OF BATTERIES UNDER THE ULTRAPOWER BRAND.

TRI-STATE BATTERY BRANDS BRING SIGNIFICANT VALUE TO ITS LOYAL CUSTOMER BASE VIA ITS CLOSE STRATEGIC PARTNERSHIPS WITH INDUSTRY-LEADING MANUFACTURERS INCLUDING EAST PENN MANUFACTURING, US BATTERY, AND MANY OTHERS.
